

BEECH OVENS™

WORLD LEADER IN SPECTACULAR COOKING EQUIPMENT

Beech Ovens has been supplying spectacular cooking equipment to luxury restaurants and hotels worldwide since 1989.

Beech Ovens are pleased to offer a series of charcoal and gas grills. Our char grills are a radical departure from conventional designs and improve on nearly every feature this type of grill can offer.

The grills are available in a range of standard sizes which are either gas or charcoal fired. In accordance with the Beech motto "If you can conceptualise it, we can build it", we also offer a complete custom design service capable of creating spectacular feature grills for your display kitchen.

UNIQUE FEATURES

- Excellent cooking of all meat, chicken, fish or vegetables
- Gas or charcoal fuel options
- All grills (except the circular grills) include a chicken rack for second tier cooking
- Option to substitute flare grate sections with flued smooth griddle plate sections (on gas models only)
- Optional tray race sections
- Grill plates and gas burners remove easily for cleaning
- Use of superior materials gives more consistent thermal distribution throughout the grill

- Exceptional thermal efficiency
- Full flame failure fitted to all gas systems for safety
- Smoking chips can be placed onto the drip tray of the gas grills to add flavour
- Optional rotisserie over grill
- 12 month warranty
- Charcoal grill features gas system under the charcoal for easy ignition
- Full custom design service available.
